Dear Parents / Carers,

Re: Call for Donations - Oliver! Jr School Production

As you may be aware, our school is currently gearing up for an exciting production of Oliver! Jr, and we are reaching out to our wonderful school community for some assistance.

In order to make this production truly special, we are in need of a variety of items that will help bring our vision to life. We kindly request your support in donating the following items, which will greatly contribute to the success of our show:

- Empty Pringle bottles
- Empty Pringles tubes or equivalent alternative brands
- Old mobile phones (without SIM cards or memory cards installed)
- Unused phone cases, tablet cases
- Unwanted costume jewellery (bracelets, necklaces, brooches - no earrings or rings, please)
- non-working watches
- Empty, clean Pot Noodle containers or equivalent brand alternatives
- Board games that are no longer wanted or have missing pieces
- Unwanted packs of cards that may be missing a few cards

These items will be used in various aspects of our production, from set design to props and costumes. Donations can be brought in by pupils and taken directly to Mr. Dunn's classroom. Please note that donated items will not be returned, as they will be used exclusively for the school production.

Your generosity and support are invaluable to us, and we are grateful for any contributions you can make to help make Oliver! Jr a success.

Many thanks,

Mr Dunn and Oliver! Jr production team
