Local Visits Consent Form

Dear Parents/Carers,

From time-to-time, classes need to walk around the local area to support and enrich their learning. These educational visits are taken within the school day (morning or afternoon) and do not involve a cost.

To enable us to make these trips, and to simplify our paperwork, we ask that you acknowledge and consent to these local visits via Arbor **as soon as possible**. For trips which involve travel by coach or train, or a cost implication, you will of course receive separate and prior notification.

Yours sincerely,

Mrs S. Carr
Vice Principal
