Christmas Decoration Arrangements

Dear Parents/Carers,

We are looking forward to welcoming you to our Christmas Decoration sessions this term. The children love having you in school and working alongside them to create some wonderful festive decorations. Due to limited space, we are only able to invite one family member per child. Each session will last approximately fifty minutes.

For the safety and wellbeing of all children, we kindly ask that mobile phones are not used within the school building during the sessions. Thank you for your understanding and support.
