Agenda Item	Points Raised	Action Points
Citizen of the Week	<ul style="list-style-type: none"><li>Nominations were discussed and award decided</li></ul>	Mrs Carr will forward the name of next week's Citizen of the Week to Mr Lear.
School Dinners	<ul style="list-style-type: none"><li>Feedback from meeting with Mrs Sayer</li></ul>	Last week, Alice and Thea (from 6W) met with Mrs Sayer to discuss some of their concerns about school dinners. Mrs Sayer explained that all portion sizes are the correct size as they are based on the Food Standards guidelines which state how much all 4-11 year olds should eat. As a result of this meeting and some of the statistics that were shared, The School Council plan to put forward some of their concerns regarding healthy eating (and PSHE) to Mrs London.
Toilets	<ul style="list-style-type: none"><li>Rules</li></ul>	Following all our recent discussions about toilets, the School Council have devised a set of rules to remind everyone about correct use of the toilets which will be displayed inside toilet cubicles as a reminder. MDAs will also monitor the use of toilets during lunchtimes to make sure that children are behaving sensibly. It was also suggested that an additional soap dispenser would be helpful in the Year4/6 toilets so Mrs Carr will look into getting another one fitted.
Lost Property	<ul style="list-style-type: none"><li>Relocation of the lost property box.</li></ul>	The majority of children agreed that the lost property box should be moved onto the playground. After meeting with Mr Lear, Alice shared all the positive reasons for relocating the box (near the West Leigh Avenue gate). Mr Lear will consider these points and will get back to the School Council about a decision soon.
