Summer Term Charity Fundraiser	<p>During the summer term, Mr Nash will spend 5 weeks running 1035 miles from Land's End in western Cornwall to John o' Groats - Britain's north eastern tip. In doing so, Mr Nash will be raising money for Cancer Research UK and to support him, we will be holding a school obstacle course for the children (and staff). On this day, you will be invited to come to school in non-uniform, to raise money for charity. Mr Nash would like every class to vote which non-uniform theme they would like us to host, from the following choices:</p> <ol style="list-style-type: none"> <li>1. beachwear</li> <li>2. inspirational person</li> <li>3. TV or book characters</li> <li>4. bright colours</li> <li>5. each year group/class to be given a randomly generated letter e.g. A – could dress as someone from Australia, as an astronaut or as an ant!</li> <li>6. each year group/class to select their own theme – e.g. superheroes, animals or countries.</li> </ol> <p>Each class must now vote upon which idea they would like us to go with. The most popular will be the theme of the charity fundraiser later in the term.</p> 																		
Class Pets	<p>Councillors will continue to discuss the idea of class pets at our next meeting.</p>																		
Friendship Area Update	<p>Following a suggestion made last year, the new friendship area will soon start to take shape. A new playground squad shed will be installed and painted brightly (like the Reading Nook) so that children are able to head over to the Friendship Stop if they'd like to play a game with someone else. Watch out over the coming weeks to see this starting to take shape.</p>
