5th October 2026

Harvest Collection for Southend Foodbank

As part of our ongoing commitment to supporting local charities, West Leigh Junior and Infant Schools have once again chosen to support Southend Foodbank this year. The foodbank is a vital community resource, providing essential services and support to individuals and families across the local area.

We will be holding our collection on the morning of Friday 16th October and would be extremely grateful for any donation you are able to send in with your child on that day.

To help the children understand the importance of this initiative, we have invited a representative from the foodbank to speak during our Friday assembly and explain how the donations will support members of our community.

While any non-perishable food items would be greatly appreciated, the following items are currently needed most urgently by the foodbank:

- long-life milk
- pasta sauce
- tinned fish
- tinned fruit
- tinned meat
- tinned rice pudding
- tinned vegetables

Thank you in advance for your donations and your continued support with all our charity work.

Yours sincerely,

Mrs S. Carr
