Agenda Item	Points Raised	Action Points
Citizen of the Week	<ul style="list-style-type: none"> Nominations discussed 	After considering all the nominations carefully, the councillors selected a 'Citizen of the Week'; this will be announced in next week's assembly. Please keep posting your nominations in the boxes provided in the Year 4 and 5 corridors.
West Leigh Junior School Driver	<ul style="list-style-type: none"> Diversity and Bias – Inspirational People. 	The School Council would like to thank everyone for all the great suggestions that were made of inspirational people. The final list was extremely diverse but will provide Mrs London with a number of key figures from which to choose.
Suggestions	<ul style="list-style-type: none"> Mirrors in the toilets Butterfly garden More mushrooms Litter Composter 	<p>It was decided that this was a very sensible suggestion so mirrors have been placed on order.</p> <p>One suggestion asked for a 'butterfly garden' so that children can learn about life cycles. Mrs Carr has shared this idea with Mrs London and Miss Bowes who have agreed that this will be a great resource in those year groups learning about life cycles so watch this space!</p> <p>Many children have asked for more 'mushrooms' in the playground as this is often a favourite spot at playtimes. You will all be pleased to know that as part of our exciting new playground design, more mushrooms have been ordered!</p> <p>It has been noticed that at times, litter is left on the floor in classrooms after lunchtimes and sometimes after playtimes. It has therefore been suggested that litter monitors are needed. The school council discussed this idea very carefully but have decided that we are ALL responsible for picking up our litter and that if we leave this job to monitors, less care will be taken and more litter dropped. Councillors would therefore like to remind everyone that we MUST put our litter in the bin and if we happen to see litter, we should all be responsible for putting it in the bin.</p> <p>Mrs Carr has agreed to speak to Mrs Garrett and Mrs Rodger about the possibility of having a composter in school.</p>

Meeting Concluded: 12.30pm
