

West Leigh Junior School

Executive Headteacher: Mrs C. Woolf

06 March 2024

Dear Parents/Carers,

Toy Swap – Friday 8th March 2023

As part of their plans to help the West Leigh community to reduce, reuse and recycle, the Eco Warriors have decided to host a toy swap on the afternoon of Friday 8th March 2023.

Children from West Leigh Junior School will have the opportunity to bring in toys, games, books, puzzles etc. (a maximum of 3 items per child). These could be unwanted new items or used ones which are still in good condition with all of their parts. In exchange they will be given a token/s to swap for something they would like. Any items that are 'unswapped' after the event, will be donated to a local charity shop, added to our school library or play equipment.

We cannot accept any DVDs, video games or toys that contain batteries.

Please can we kindly ask that donations are only brought into school on Friday March 8th due to limited space. The children can bring their donations to the Lower School Hall from 8.40am where Mrs Garrett and the Eco Warriors will meet them and swap their items with a token/s.

Thank you for your support.

Mrs Garrett and the Eco Warriors
