

### West Leigh Junior School – Annual Anticipated Costs

Throughout the school year, a variety of educational trips and visitors are arranged to deepen children’s learning and strengthen links to the curriculum. These experiences are carefully chosen to complement classroom teaching and inspire curiosity. In addition to these educational visits, we organise three residential experiences during your child’s time at West Leigh. These memorable adventures promote independence, teamwork, and personal growth.

To help families plan ahead, we have outlined the estimated costs for these activities below. Please note that these figures are based on last year’s pricing and may be subject to slight increases due to rising travel and provider costs.

Wherever possible, we offer flexible payment options, including the ability to pay in instalments, to make participation more accessible for all families. If you are having any difficulty making payment for activities during the year, please come and see Mr Aggus.

<b>Year 3</b>	<p><b>Autumn Term</b> Barleylands - £20</p> <p><b>Summer Term</b> Danbury - £110/Danbury Alternative £30</p> <p><b>Swimming Fees - £48</b></p>
