

### Assemblies Timetable – Autumn 2021

The assembly timetable now contains many **RE objectives** in addition to covering British Values, Protected Characteristics and key religious festivals from around the world. Many assemblies are also linked to our curriculum driver of **‘diversity’**.

Dates updated and checked for 2021 in **orange**. Growth Mindset assemblies are highlighted in **green**.

Some weeks simply have a theme to give teachers the freedom to plan and write their own assemblies based on a given theme that will run throughout the school.

Presentations required for assemblies are saved in ‘Autumn Assemblies’ folder on staff shared.

**Throughout the year, team captains will be taking upper/lower school assemblies based on the values for their house. This year, these will be filmed in advance and made available for the week shown on the timetable below.**
