Library Update	<p>Mrs Millham joined our meeting today to find out everyone's opinions about the West Leigh Library.</p> <p>Councillors have been asked to ask their classes the following:</p> <ul style="list-style-type: none">➤ How many children have not used the library this year?➤ What do children currently like about the library?➤ What would make the library better?➤ <p>All ideas will be shared with Mrs Millham following our next meeting.</p> <p>Mrs Millham wanted to remind children that the library is closed on Fridays so that the librarians are able to tidy/reorganise etc. Overdue book slips are issued on Fridays.</p> <p>Library books can be returned on any day – children do not have to wait for their library day. These can either be returned directly to the library or to Mrs Millham.</p> <p>All book/library ideas can be shared via the suggestion box in the library.</p> <p>The Reading Nook is open every day and after half term, there will be some exciting new books available.</p>
Communication Book Design	<p>Mrs Hay joined us today so that Councillors could share their ideas about a new cover design for next year's Communication Books.</p> <p>Mrs Hay has agreed to generate a few designs which will be presented to Councillors on Tuesday to make a final decision.</p>
Summer Term Charity	<p>Councillors have been asked to consult their classes about our school charity focus for summer term. Each class needs to discuss and decide on <u>one charity</u> they would like to fundraise for next half term, as well as suggesting a fundraising idea.</p> <p>Councillors will have one minute to justify their class's choice at our next meeting.</p>
