11+ Familiarisation Classes 2021

Westcliff High School for Girls is organising online classes for Year 5 girls and boys who would benefit from the opportunity to familiarise themselves with the types of questions they will meet in the 11+ selection tests.

Pupils need to participate in two sessions; one will be Maths and the other English. The Mathematics paper includes a section on non-verbal applied reasoning. The English papers include sections on verbal/literacy, applied reasoning and extended writing.

Science

Parents who wish for their child to take part will need to apply online. For these sessions we will be sending out a booklet to be completed as they watch a recorded presentation delivered by our subject specialists. There will be two booklets, one for the Maths session and one for the English session. Please ensure your child has a pen, pencil, eraser, ruler and a pencil sharpener as well as plain paper when they start the sessions.
