

22nd April 2026

Dear Parents/Carers,

Year 5 IndiRock Visit

On **Wednesday 20th May**, 5F and 5N will be participating in an enrichment morning at IndiRock. The children will learn the basics of bouldering; climbing safety and efficient movement. After this, the children will be able to explore the climbing walls discovering their own comfort level. The purpose of this session is to provide our Year 5 children with alternative and exciting ways to engage in physical activity. We hope some of the children may develop a passion for rock climbing!

The children will be transported to and from IndiRock by coach. We will depart West Leigh Junior School at 9.15am. The children will participate in a one hour climbing session and will then depart IndiRock at 12.15pm. Your child will need a healthy snack and a water bottle for the morning. They will also need a packed lunch to eat for when they return to school.

Your child should wear their school PE kit for this day.

In order for your child to participate in this session, please complete the waiver form using the QR code link below. The waiver form will appear after the safety and introduction video finishes. This link will also be sent out via ParentPay to complete. This must be completed by Monday 4th May in order for your child to participate in this session.

There is no cost for this visit.

Yours sincerely,

Mr Markham
PE Lead
