

WEST LEIGH JUNIOR SCHOOL

School Council Meeting Minutes

Date: Friday 2nd October 2026	
Agenda Item	Discussion/Action
Suggestion Boxes	Mrs Carr was delighted by the many creative and impressive designs that councillors produced for their suggestion boxes. Photographs of all the entries will be displayed on the School Council notice board, so be sure to take a look. Councillors would also like to remind everyone that suggestion boxes are an important way for you to share your ideas and help shape future improvements. Suggestions can be submitted at any time and should include your name, the date and your suggestion. At each School Council meeting, councillors will review and discuss sensible and achievable suggestions. Keep an eye on future updates as your idea could become one of our key agenda items.
Children in Need	In November, we will be holding a non-uniform day to raise money for Children in Need. To help make the day as enjoyable as possible, each class has been invited to vote for their preferred theme. Suggestions include pyjamas, dress as your hero, teachers and pupils swapping roles, or dressing according to a particular letter of the alphabet. Councillors will discuss each class's chosen theme at their next meeting before agreeing on the final theme for the whole school. We look forward to sharing the winning idea with everyone soon!
Pupil-Led Clubs	It's that time of year again when we invite children in Years 5 and 6 to apply to run a lunchtime club. Upper School councillors have all the information, so any prospective club leaders should speak to their class councillor to collect an application form and find out more about the process. Once councillors have reviewed the applications and selected the clubs that will run, the rest of the school will be invited to sign up for the clubs they would like to attend. We look forward to seeing the exciting ideas our future club leaders come up with!
Use of AI	Mr Aggus has asked councillors to gather information about children's use of AI outside of school. Do you know what AI is? How do you use it? What are your thoughts about it? Are you aware of any risks or things you need to be careful about? Councillors are encouraged to talk to their classmates and collect as many views as possible. All ideas and feedback will be shared and discussed at a future School Council meeting.

Meeting Concluded: 12.30pm **Date of Next Meeting: Friday 16th October 2026**
