Dear Parents / Carers,

Year 6 Southend Field Study

As part of their learning in Connected Curriculum, Year 6 will be conducting a field study in Southend-on-Sea on Tuesday 9th June, leaving school at 8:45am and returning by 3:00pm. We will need the pupils to arrive at school by **8:30am**, where they can go directly to their classroom. This will involve a range of activities, to gather sufficient data that will inform their opinion regarding this geographical location. Excitingly, we will also be visiting the council chambers of Southend City Council where the pupils will have a presentation by the leader of the council (subject to change of host following recent local elections).

The field trip will involve train travel to and from Southend. In order to cover the associated travel cost, we kindly request that a voluntary contribution of **£4.50** is made on Arbor by Friday 5th June. Without sufficient contributions, we will be unable to continue with this visit. Please contact the school office as soon as possible if you have difficulties with the payment.

On the day, the pupils should wear their school uniform; however, they may wear trainers if they wish. It will be necessary for the pupils to bring a packed lunch, which will be eaten during a picnic lunch. They should also bring a snack for the morning and a water bottle. In the event of warm weather, please ensure that your child has suncream and a sun hat, and in the event of adverse weather, please ensure that they have a waterproof coat.

Finally, we would greatly appreciate additional parental help, so if you would like to help us, please indicate this on the reply slip below. We will confirm with you whether we will require your support as soon as possible.

Yours sincerely,

Mr W. Dunn
