

### Assemblies Timetable – Spring 2026

The assembly timetable covers British Values, Protected Characteristics and key religious festivals from around the world. Many assemblies are also linked to our golden values: responsibility, integrity and empathy.

Dates updated and checked for 2026 in orange. Growth Mindset assemblies are highlighted in green.

Some weeks simply have a theme to give teachers the freedom to plan and write their own assemblies based on a given theme that will run throughout the school.

A new 'resources' box has been created with some practical resources for assemblies, which is kept in the dungeon. These are highlighted in red.

Presentations required for assemblies are saved in 'Spring Assemblies 2026' folder on Teams staff shared.

Books linked to the values are kept in the VP office – please return once you are finished with them.

w/c	Upper	Lower	3	4	5	6
