Executive Headteacher: Mrs C. Woolf

04 January 2024

Dear Parents/Carers,

During the next two terms, we will be taking a small group of pupils to Adalah Residential Home each month to spend some time with the elderly residents. We will take some craft activities that the children can work on and some stories that they can share. This is a fantastic way to allow the children to work on 'the little things' as they learn the importance of giving back to their local community.

When children have been selected, a small note will be placed in their communication books to let you know that they will be attending. The visits will take place during the afternoon and children will return by the normal end of the school day.

If you are able to help on these visits, the dates of which are detailed below, please indicate on the slip and return to school.

Thank you for your support.

Yours sincerely,

Mrs C. London
