

3<sup>rd</sup> December 2024

Dear Parents/Carers,

## The Young Shakespeare Company

In order to support the children with their National Curriculum literacy studies, we are delighted to have been able to book 'The Young Shakespeare Company' once again to visit the children of Year 6 and provide a stimulating interactive workshop of Shakespeare's 'Hamlet' on Thursday 23<sup>rd</sup> January 2025. This is a very popular and leading national group and we are fortunate indeed to be welcoming them again to West Leigh Junior School.

Regrettably, the cost of this visit cannot be met from school funds and we are, therefore, requesting parental contributions from Year 6 parents of **£13.00**. You will be able to make a payment using **ParentPay**. This is a voluntary contribution. We have a very limited amount of funding which we can use to subsidise those who are unable to contribute and we will include all pupils if the activity proceeds. However, without sufficient parental contributions, we will be unable to proceed with this booking. Please contact the school office as soon as possible if you have difficulties with the contribution.

Thank you for your support.

Yours sincerely,

Mrs Bemister

English Lead
